**GEN. GORDON'S ADDITIONAL ORDERS.**

The Appointment of Important Committees—The History Committee of the Grand Camp—Finance and Relief Committees—Gordon's Staff.

Through the kindness of the owner, the large, handsome building 1256 east Main street, a few doors below the Hotel Lorraine, a most central location, has been secured as a general rendezvous, headquarters or assembly for all visiting Maryland organizations. **STANDING COMMITTEES.**

The organizations officially recognized as from Maryland were the First Maryland Infantry, Second Maryland Infantry, First Maryland Cavalry, Second Maryland Cavalry, First Maryland Artillery (Anchors and Dernents), Second Maryland Artillery (Gatrelle), Fourth Maryland Artillery (Chesapeake).

These composed the Maryland line, and were recognized as such by the Confederate authorities. Their aggregate strength was some four thousand men.

The history of the Army of Northern Virginia could not be written without giving the history of these commands. From the early days of the war, from Manassas to Malvern Hill, from the Valley to Gettysburg, from the defense of Petersburg to Appomattox, was their valor and efficiency conspicuous. From the beginning at Harper's Ferry, in '61, to the end at Appomattox, in '65, they maintained the same high character and bearing, and the record of their deeds, the reputation of their valor, and the admiration of the world.

Mr. Charles Marshall, General R. E. Lee's Adjutant-General, was appointed chairman of the committee to wit:

Col. Charles Marshall, of Franklin-Buchanan Camp, No. 74; Baltimore, Md.; chairman; Col. O. H. Lee Martz, of Col. S. B. Gibbons' Camp, No. 458, Harrisonburg, Va.; P. C. Campbell, of Col. Gen. John B. Gordon has issued the following additional general orders through Adjutant-General George Moore:

**THE HISTORICAL COMMITTEE.**

Headquarters United Conf. Vets., New Orleans, La.

General Orders No. 17:

The Historical Committee and on Southern Section History created by General Orders No. 35 and its current series, from these headquarters, to formulate a plan to secure a true and reliable history of the late civil war, and to select proper and truthful histories of the United States to recommend for use in the public and private schools of the South, of which the distinguished soldier and peerless citizen Lieutenant-General Stephen D. Lee is chairman, at present consists of only seven members, as follows:

Lieutenant-General S. D. Lee, chairman, Starkville, Miss.; Prof. W. B. Garrett, Nashville, Tenn.; Prof. J. N. Stahs, Wood's Cross-Roads, Gloucester county, Va.; General Clement A. Evans, Atlanta, Ga.; Major-General Ellison Capers, Columbia, S. C.; Colonel H. L. Beatty, Abeline, Tex.; Prof. J. W. Nicholson, Baton Rouge, La.

In the eloquent and exhaustive report submitted to the reunion at Houston, Tex., the committee recommended that their number be increased so as to embrace one additional member from each State or Territory or U. S. V. division.

Reciting the truth from Macaulay, in their appeal to the survivors and to the rising generation, that "a people which takes no pride in the noble achievements of remote ancestry will never achieve anything worthy to be remembered by remote descendants," the committee, as constituted, has performed such splendid work in their various enterprises, in their patriotic and勇敢的 efforts to save the South, facts and history, and completeness of the record, that the glory of the work performed by the Historical Committee would alone fully justify the organization of the United Confederate Veterans. Should nothing else be accomplished by the order,

The general commanding hereby appoints the following members to this committee, who will report to the chairman, Lieutenant-General S. D. Lee:

Major-General S. G. French, Winter Park, Fla.; Colonel H. A. Newman, Huntsville, Mo.; Major W. A. Newman, Little Rock, Ark.; Colonel D. M. Woodward, Muskogee, I. T.; Major Graham Daves, Asheville, N. and Territory, and one from the Gen. Adam R. Johnson Camp, No. 48, Evansville, Ind., "to represent the camps outside the former Confederate States and Territories," to be known as the "Relief Committee," that shall have charge of all affairs relating to relief, pensions, homes and other benevolent purposes of this federation."

The "Relief Committee" will meet at the headquarters of the general commanding, at the Jefferson Hotel, in Richmond, Va., on Tuesday, June 26th inst., at 10 A. M.

General W. F. Perry, of Bowling Green, Camp, No. 142, of Bowling Green, Ky., is appointed chairman of the committee.

Coming to the Reunion.

Mrs. Kate Cabell Currie, daughter of General William L. Cabell, formerly of Virginia, now of Dallas, Texas, and party will attend the reunion at Richmond, Va., with headquarters at the Jefferson Hotel, with the headquarters of the United Confederate Veterans.

Mrs. Currie is State president of the "Daughters of the Confederacy," as well as president of the charter chapter of the State of Texas; there are nine organizations of the Daughters of the Confederacy in the State of Texas.

Can't Be Relied Upon.

No man can be relied upon who hasn't the courage to express his convictions and the rule can be applied in all spheres of life without fear of contradiction.

Mr. McNease is right in what he says. If Major McKinley says that the candidate for the presidency from Ohio is for bimetallism, and yet when McKinley himself is questioned on the subject he gives the same old answer, "I have nothing to say."

If it is a fact that he is in favor of bimetallism, for free silver, or the single gold standard, why does he not meet the issue? and if he does not, then let him be right in what he stands, and if he really has any convictions on the subject the country insists that he make them known. Of course no one believes that he is absolutely without opinion on the matter, it is only that he is not willing to admit it.

If he really has any convictions on the subject he needs neither talk nor brag about it.

It is a sad commentary. It is to be sure that such a man is the possible nominee for the suffrage of the American people, but the prospects for a good crop are much dimmed at this season of the year.

The corn crop is also very promising.—Southron News.

**GOOD CROPS IN BALTIMORE.**

We learn that Mr. J. M. Irby, of Vernon Hill, commenced toppling some of his tobacco on the 8th instant, and since then has topped up as high as 18 inches. This is a record for the date, and we will have the new crop on our market as early as July or the first of August. So far, the seasons have been good, and the prospects for a good crop are much dimmed at this season of the year.

The corn crop is also very promising.—Southron News.

**THE WORKMAN often eats his lunch on the same bench where he does his work.**

The office man snatches a few minutes from his occupation and turns his desk into a temporary table. Neither the exercise nor the time for eating is small, nor is the digestion of both gets out of order.

Nature works as hard as she can, but there are some things she cannot stand. If a man gets some foreign substance into the works of his watch, he doesn't expect the watch to run until the impediment is removed. His own digestive system is a much more wonderful and delicate mechanism, and it abhors it. He lets it get out of order, and refuses to help it. In the end his neglect reacts with terrible force upon him.

The reaction comes on gradually, however, so that sometimes he scarcely sus-

pends the cause of his constipation.

The cause is indigestion; disorders of the stomach, liver and kidneys; biliousness, headache, rheumatism, impurity of the blood and the like.

To begin with, constipation is the following: To begin with, constipation is a condition so common that four people out of five take it as a matter of course. From this one cause come indigestion; disorders of the stomach, liver and kidneys; biliousness, headache, rheumatism, heartburn, impurity of the blood and the like.

Next, to cure it, we must take a laxative.

There is nothing in the world like them, so there can be nothing "just as good." The druggist who tries to sell you something else has his own interest in view and not

his health.
